Skill Level	Total Cost	Dates and Times	Location
Intermediate (ages 9-12)	\$110	See website	See website

WHO: This clinic is designed for the intermediate player who has played 2-3 years of Little League and/or Competitive baseball. This clinic is limited to 20 players to ensure quality results.

WHAT: Led by Coach Sparky, this clinic consists of eight (8) hours of baseball instruction: reviewing fundamentals of fielding, throwing, catching, base running, and hitting; working on advanced skill development, footwork, and situational strategies of the game with lots of repetitions to develop muscle memory and retention, to take you to the next level of your game. You will learn and retain what we teach you in a fun and exciting environment. Instruction is based on Coach Sparky’s Sports Life Integration Curriculum and will integrate our STAR* Life Skills development into your training. Simulated game situations and scrimmages will reinforce the baseball concepts taught and will improve retention.

*STAR Life Skills are: Sportsmanship, Teamwork, Attitude and Respect. These are foundational in Life Skills development.

Rock-It Baseball Academy: is a non-profit Corporation founded by Coach Sparky, a former Academy Little League Board member and Coach/Manager in Little League. Our Philosophy is that “Baseball is for everyone who has the will to play.” Our Mission is to “prepare kids for Baseball and Life with Rock Solid Skills.” We are dedicated to providing affordable and outstanding Baseball and Life Skills instruction to the youth of Colorado Springs through specialty clinics and baseball programs, partnering with top instructors as appropriate. We are in the business of developing and preparing players for the next level of play, especially preparing kids for Little League.
